Hi Blair,

In anticipation of renewing the 639 Spring St Parklet MOU, I have mailed you and am emailing you a copy of the site evaluation that we undertake on an annual basis. The MOU renewal will be a short amendment agreement to the current agreement. We would not be drafting an entirely new agreement.

Let me know if you want to chat about some solutions/remediation strategies to the issues we observed. I'd also like to discuss strategies to revive the parklet at 615 Spring, maybe you have some time in the next few weeks to meet up with myself and the council office.

Thank you for your continued support of these projects!  
Elizabeth
